

the *Scheck* team

The Scheck team is changing the traditional relationship between client and contractor by developing relationships with our clients based on trust and understanding of each other's objectives, expectations and values.

Our employees are some of the most highly skilled and experienced in the industry. The experience and technology employed by our team provide clients with products and services that consistently meet and exceed their expectations. We work as an integral part of our clients' team – identifying their needs, sharing their goals, and working with them to meet their expectations for each project.

When the Scheck team joins your team, you can be assured you will receive the highest quality construction for your toughest and most complex projects.
