

CONSTRUCTION ANNIVERSARIES 2009

“Salute to 25 years of employee dedication, innovation and service.”

The Key to Scheck's success: Our Team, Our Team, Our Team!!

The Scheck family, from left: Chris, Michael, Richard and Rick

“Remote sourcing of skilled Craftspeople has been a specialty of Scheck’s for the past 25 years. Clients often ask about our ability to attract and maintain such a diverse and qualified team while working in so many Union locals throughout the country. Much of our success has come from the “Scheck Craft Network” of over 15,000 which have been employed by Scheck in the past 25 years and their willingness to return to our projects for the exceptional safety training, tools, material, equipment and supervision to get the job done right. There is nothing a Union craftsman likes better than a chance to do a great job!”

“For the past 25 years Scheck employees have included Pipe Fitters, Boilermakers, Instrument Technicians, Electricians, Carpenters, Laborers, Service Technicians and other craft throughout the United States. The Scheck Family would like to thank all of those members who have been part of our organization for your dedication, integrity and leadership which has allowed us the opportunity to grow into one of the most reputable Industrial Contractors throughout the United States.

—The Scheck family

“In 1984, I started the company with a pick-up truck and a welding machine and we just have gotten a little bigger than I even imagined was possible. I am extremely proud to be associated with the clients, the unions and the employees who we have been so fortunate to work with over the years.”

— Richard Scheck

Past Employees

“Thanks for building the foundation of the company which has supported so many families over the past 25 years.”

— Chris Scheck

Current Employees

“Thanks for the passion, dedication and devotion which you bring to work each and every day to continuously improve our group of companies.”

— Michael Scheck

Future Employees

“Thanks to all those who will consider joining our organization in the future and will become part of the strategic and continued growth of Scheck Industries over the next 25 years.”

— Rick Scheck
